D = Dropped Score

## Mark Bramhall is the 2007 BSA National Champion in F125 Open

In 2007 drivers will count 80% of his/her best scoring rounds to the nearest number downwards.  
 In the event of races being abandoned then the 80% rule will be used to re-calculate the new figure.  
**The re-calculated figure means that the best 8 from 11 will count**
